INK TANK SYSTEM PRINTERS ECOTANK L15160/L15180/M15180

FLEXIBILITY FOR BETTER BUSINESS PRINT MANAGEMENT.

Get fully flexible and customisable print solutions for your business with the Epson L15160 and L15180 EcoTank colour printers, and the M15180 EcoTank monochrome printer. Powered by Heat-Free Technology, these printers increase productivity with ultra-high page yield and consistent fast speed printing of up to 25 ipm. Printouts are sharp, crisp and water resistant from our 4-colour pigment ink which is suitable for business printing. Secure the access of your devices through authentication and apply printing control to reduce cost of printing.**

EPSON

BAB

Manage your printers with Epson Print Admin or integrate with compatible third party print management solutions.

Heat-Free Technology

Enjoy high speed quality printing at lower power consumption with Epson PrecisionCore Heat-Free Technology.

Switch to Epson Heat-Free Printers to Enjoy Unrivalled Benefits

EPSON ECOTANK PRINTER

LASER PRINTER

Save time with consistent high speed printing No heat is required to warm up, allowing the printer to print

immediately with 5.5secs of first print out time. Consistent high speed printing of up to 25 pages per minute which increases productivity in workspaces.

Fewer replacement parts, lower environmental impact

Uses fewer replacement parts than laser printers. As our printhead is not a consumable, it greatly reduces impact on the environment.

DEVELOPMENT

TONER TRANSFER

Less power consumption saves energy and money

FUSING

With no fuser unit to heat, our printers help to reduce energy consumption compared to laser printers, resulting in cost savings for electricity bills.

PRINT OUT

USES HEAT

Less intervention increases productivity

With fewer parts to replace and printheads that last longer, the amount of intervention is decreased, providing improved reliability and reduced downtime.

Advanced Workflow Solutions

Stay competitive with solutions that can drive your business forward. Our Advanced Workflow Solutions is designed to help you get the most out of our business printers.

PRINT AND SCAN MANAGEMENT**

Epson Print Admin

- A server-based solution that creates secured centralised printing, scanning and copying environment through user authentication.
- Helps organisations reduce printing cost and manage print programmes.

Epson Open Platform

- A platform to gain complete control of your printing operations via a range of third party solutions.
- L15180 and M15180 models are adaptable to meet specific and changing business requirements with solutions for print and document management.

EPSON SOLUTIONS

DOCUMENT MANAGEMENT

Epson ScanSmart

- Simple scanning of workflow from the "Scan and Save" operation.
- Simple setup and interface.
- Edit documents easily before output.
- Automatic image processing.
- Create searchable PDF documents with built-in OCR capability.
- Versatile output capability.
- Stitch large documents into a single page.
- Perform simple photo corrections.
- Allow scanning from the printer panel.

FLEET MANAGEMENT

Epson Device Admin

- A free software that allows you to control, analyse and manage your printer fleet centrally from one intuitive interface.
- Increase productivity.
- Reduce cost.

Epson Remote Services (ERS)

- A secure cloud-based Device Management System of registered Epson printers for service partners and end users.
- Service partners are automatically notified of any errors, which can then be resolved accurately, faster.
- Access detailed insights and receive periodic reports on the status and consumable levels of your devices anywhere.

Connectivity Features

Network Connectivity and Standalone Capability

Equipped with Ethernet, Wi-Fi, RJ-11 fax, Wi-Fi Direct and USB 2.0, the printer is perfect for office environments. In addition, Wi-Fi Direct acts as an access point, allowing up to eight devices to connect to the printer at a time.

Epson Connect Enabled

Wirelessly print your documents from anywhere in the world with Epson Connect's wide range of features:

Epson Smart Panel

Control your printer remotely using a mobile device.

Epson iPrint

Print from and scan directly to your smart device or online cloud storage services.

Epson Email Print

Print to any Email Print-enabled Epson printer from any device or <u>PC with email access</u>.

Remote Print Driver

Print to a compatible Epson printer anywhere in the world via the Internet using a PC with Remote Print driver or from mobile devices via the Epson iPrint app.

Scan to Cloud

Share your scans through email or store them online in cloud storage services.

Other mobile solutions:

Apple[®] AirPrint[™] Mopria[™] Print Service

For more information on Epson Connect, please visit http://www.epson.com.sg/connect

Robust Security Features

Secured Printing with PIN Release

Print confidential documents by setting a PIN to a print job for release on the printer panel.

IP Address Filter

Secure your documents by preventing unauthorised devices from connecting to the printer.

Panel Admin Mode

Set a password to access and change administrator settings for the printer. This prevents unauthorised users from changing the printer settings.

Limited Access Function

Reduce risk of information leaks by limiting the access to functions for up to 10 user accounts.

LDAP Address Book

Prevent information leaks by using the address book registered in the LDAP server to accurately select recipient's email addresses.

Low Running Cost

Enjoy excellent cost savings with water- and smudge-resistant pigment ink that allows for higher yields while producing business quality prints.

Consumables		Page Yield [*]	Order Code
Black Ink Bottle		7,500 pages	008
Cyan Ink Bottle	٦		008
Magenta Ink Bottle	}	6,000 pages (Composite Yield)	008
Yellow Ink Bottle	J		008
Maintenance Box			C12C934591
Options			Order Code
Epson Print Admin			7110574
(Only for L15180 & M15	80)		

* In accordance with ISO 24711/24712. Actual yields will vary considerably for reasons including images printed, print settings, temperature and humidity. Yields may be lower when printing infrequently or predominantly with one ink colour. A variable amount of ink remains in the cartridges after the "replace cartridge" signal. Part of the ink from the first cartridges is used for priming the printer. Ink is used for both printing and print head maintenance. All inks are used for both black and colour printing.

1 Print speed (Pages Per Minute) is calculated when printed on A4 plain paper in the fastest mode, 10 x 15 cm photo print speed when printed on Epson Premium Glossy Photo Paper. Print speed may vary depending on system configuration, print mode, document complexity, software, type of paper used and connectivity. Print speed does not include processing time on host computer.

2 When printed on Epson Premium Glossy Photo Paper.

3 Default mode in accordance with ISO7779 for MFPs.
